DNR will not allow pot-luck due to current Covid restrictions. This is subject to change.

In order to effectively manage the camping arrangements, you must pre-register! Refunds will be given and payment by check can be accepted at the ride. We are working on overflow camping options, but space is limited. If you decide not to come, please let us know. Follow our Facebook event for the most up-to-date information.

Trails are a variety of covered forest and prairie including some deep soft sand, a short stretch on a limestone road, some twisty single-track and the rest is a wide two-track trail with good footing. The 50 and 75 will follow the same loops.

DIRECTIONS: PLEASE PLAN YOUR ROUTE BEFORE YOU LEAVE! There is very little cell service so don't rely on your phone data to get you there at the last minute.

Search for "Trade River Horse Equestrian Campground" or [CLICK HERE FOR DIRECTIONS](#). Access the campground off Hwy 87 just north of [Cushing, WI](#). Watch for signs.

Camping Information

This campground has 40 reservable sites. Every site has high lines for horse containment. Small pens are allowed but don't infringe on your neighbor. There will overflow camping options available but your spot is not guaranteed unless you pre-register and get confirmation prior to the ride. If you are not able to come but have a site, please contact ride management by phone, text, or email so we can offer your site the next person on our list.
