Trails: The Underdown Recreation Area trail system is located in the Underdown Wildlife Area, an 8260-acre managed forest. The trails are in the forest and mowed double track. There are a few rocky areas, plenty of rolling hills, and an enchanted forest!

Camping: Underdown has a beautiful pavilion, manure pits, a nice male and female pit toilet and a hand pump. There is a large group site and individual campsites where you can put up electric pens or tie to your trailer. They also have about 10 high tie sites. Sites are not reservable, but Brandon Brunner will again be helping everyone get parked in their preferred spot based on rig size. All dogs must be on a leash.

Logistics: We encourage riders to pre-register and pre-pay. Copy of negative Coggins is required, please submit at time of registration. We will be progressing with this event using COVID safety guidelines as necessary.

Potluck: We will be having a potluck Saturday night unless COVID restrictions prohibit this. Ride management will provide the main dish, please bring a serving utensil and side dish to share.

Drawing: There will be a \$50 drawing for all that email Brandon they are planning to attend the ride no later than August 12th. Must attend the ride to be eligible.

Send pre-registrations and checks made out to DRAW to:
