Treasurer's Report:

The Treasurer's report was handed out for review by Ann.

Ann stated DRAW had a \$94.84 profit from last year.

Roberta made the motion to accept the treasurer report as printed. Beth 2nd. The motion to approve the treasurer's report passed.

Clinic Updates:

Beth: The June date is not going to work. She is looking at a date on July 9th or 10th to be held at the Governor Dodge State Park by Dodgeville.

Linda/Boots: March 19th at the Double Bar A stable there will be a clinic. This will be specifically a talking clinic. There will be a mock ride to follow on April 30th 2022 at the Kettle Moraine Ranch in Palmyra across from the S lot. Jim has suggested combining Linda's mock ride and Tony's mock ride because the locations are so close. They will be looking for volunteers to take groups out. Linda has sign up sheets for help.

Melissa Coolich is also hosting March 26th.

Other updates on DRAW Rides:

Colorama: Jon asked if we are sanctioned with AERC. Barb has started working on it, she needs more information from Jon and will finish this once all the information is received.

DRAW Finale: No updates

DRAW Northern Highland: No updates

Ride managers will be looking for people to volunteer to make meals for vets and helpers. A sign up will be posted closer to the season start and will be posted on FB.

Update on credit card payment option/online ride registration combined:

Ann Delang: Ann feels that the online ride registration payment/registration option is beyond her capability. If someone knows how, she would entertain someone's help. Ann Marie suggests reaching out to a SEDRA member for help if interested. She will send the information to Ann.

Venmo payment at a ride or before: The fee can be 1.5% with additional fees from .25-\$15 depending on how much the entry is and then there are additional fees to transfer the payments to the bank.

Paypal could be another option as long as you use Friends and Family. This option is free.

Katie asked about using the Square. Ann said the Square was tied to an old bank account. Only one person used it in the past.

Ann is worried that if an entry is changed or withdrawn from the ride, the jockeying around of payments and refunds can be tricky resulting in additional banking or credit card fees.

BREAK FOR LUNCH @ 12:32 P.M.

Completion awards 2022: There are some left over awards. Garment bags, coolers and fannie packs. These will be used for secondary awards. Ann Marie is good with getting her own completion awards, but would like an inventory of what we have. Barb will provide the current inventory to the current DRAW ride managers. Budget is \$5/award for completion.

Awards committee: Wes would like to head with Linda Jacobson helping.

New business: Covered with credit card information.

Jen Haras presented information from Southern Kettles group.
